GORÉE ISLAND VISIT OF DAKAR THE CAPITAL

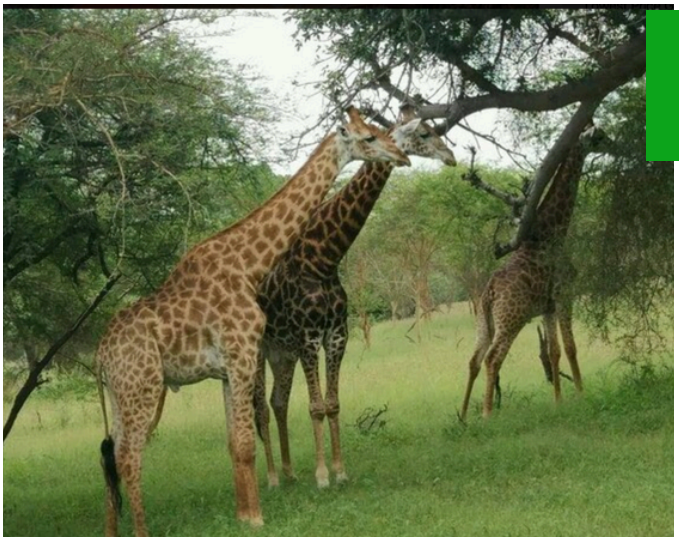

3km from Dakar appears the island of Goree, small in size and large in history. Witness of 3 centuries of slavery, Gorée is classified world cultural heritage by UNESCO, accessible thanks to a boat with multiple rotations. The first attraction of the island is the slave house, the last slave in Goree from which millions of slaves were deported to American plantations. Lunch planned in Goree. Afternoon: visit of the districts of the SDF (without financial difficulties), the place of the independence, the national assembly, the cathedral of Dakar, the Great mosque, the old railway station, the presidential palace, the market of Kermel: spices, fabrics, artisanal products, the artisanal village of Soumbédioune and the monument of the African renaissance.
